

The Glass House

California
OUTDOOR PROPERTIES

3.05 +/- ACRES | SONOMA COUNTY | \$3,900,000

The one bedroom, one bath, stone and glass house was remodeled with the finest finishes, never intended for resale. The house has three decks and the ultimate custom stone hot-tub, within salt spray of ocean waves for you to enjoy the best ocean views in the world.

Amenities

- Ocean Frontage with Pacific Ocean Views
- Floor to ceiling Starphire glass ~ stunningly clear glass, allowing incredible light to shine through your windows
- Old growth Redwood throughout; cabinets, doors, beams and decks
- Granite kitchen counter-top, an impressive granite fireplace and a striking grand marble island
- Radiant heated floors
- Natural cliff rocks incorporated into the fireplace
- Electric window shades
- New flooring, wiring, plumbing, siding, and roof. You name it, the owner replaced it!
- Beautiful landscaping surrounds the home
- Dive for abalone from your own secret cove, kayak from your own private beach and fish off your own front porch.
