Water

Water on this property is plentiful! 2 ponds, adjudicated water rights*, frontage on Mill Creek, and wells make up the water available on this ranch. One high functioning well supplies water to both homes, while Mill Creek flows at approximately 3 CFS, year-round.

*Adjudicated Water Rights: Enforceable order allocating the water and the water rights in the stream system, groundwater basin or combined water source. Depending on the adjudication order, the order may place jurisdiction over the affected water so that the water rights are severed from the land making them freely transferable.

Cattle

75-100 pair can be run year-round or 150-175 pair seasonally. The property has full cattle handling facilities, including pipe corrals, chutes, and barn.

Recreational Activities

The hunting enthusiast will appreciate the opportunity to obtain deer, pig, turkey, quail, and dove. Anglers can make their way to Mill Creek for trout fishing. 465 acres provide the new owners with hiking, off-roading, and horseback riding options.
