

BEAR FLAT MEADOWS

\$1,400,000 | 720 ± ACRES | SISKIYOU COUNTY

Bear Flat Meadows is captivating with the presence of a year-round spring-fed creek, Bear Creek which enters the property from both the West and a fork from the North adds to its allure. The combination of several meadows, multiple ponds, and a healthy mature forest creates a truly blissful environment. The property's location provides a stunning view of Mt. Shasta, enhancing the overall visual appeal. The interplay between the meadows, ponds, forest, and the majestic mountain must be a sight to behold.
